Location

Hideaway of Nungwi Resort & Spa is extended over 10 hectares of virgin land on the North West coast of the enchanting island of Zanzibar. Surrounded by exotic gardens and thousands of tropical plants, wooden steps lead gently down to the beach of Nungwi: an oasis of soft, sandy beach. Located just 55 minutes from the airport and the capital of Stone Town, we offer the perfect hideaway for couples, families and friends. On the north-west coast of the island, Nungwi is considered to be the most beautiful beach of Zanzibar, where the absence of strong tides guarantees the pleasures of swimming and snorkelling in the crystal, jade sea.
