

Denis Private Island

Denis Island

Presentation Denis Island is a private coral island situated on the northern edge of the Seychelles bank, where ocean depths plunge 2000 metres into the deep abyss of the Indian Ocean. This small island property is a resort with 25 cottages a stone's throw from the beach, along with its own farm to provide fresh ingredients.

Location Guide Seychelles International Airport – 30 minutes by plane (Twin-Otter aircraft) or helicopter.

Room Stock

- 01 Beach Villa of 325 sqm
- 01 Family Cottage of 169 sqm
- 10 Beachfront Spa Cottages of 150 sqm
- 10 Deluxe Beach Cottages of 130 sqm
- 03 Beach Cottages of 90 sqm

Restaurants & Bars The main building on the seafront is an impressive open structure, in an informal, but contemporary chic setting with a well stocked bar and impressive wine selection. A comfortable open lounge on two levels offers a venue for socialising and scheduled talks on the island's history, sustainability and conservation projects.

The outside terrace restaurant offers a diverse and refined culinary experience marrying home-grown fruits, vegetables and herbs along with poultry eggs and milk from the farm, as well as fresh seafood from the surrounding waters. Most nights guests are offered a five-course menu, but theme evenings are also organised, such as a Creole night and a Japanese night showcasing the sushi chef's demonstration of live cooking with fresh ingredients.

Candle lit dinners on the beach or served on the deck of the villas may be organised upon request at a charge.

Spa & Wellness Therapists are on hand to pamper guests with a selection of therapies inspired by Seychellois, Indian and Swedish techniques, fitting in with the island's naturally holistic lifestyle.
