Reethi Rah, Maldives

Surrounded by the wonders of the sparkling Indian Ocean is an all-villa resort offering an unrivalled level of style, choice and personalised exploration. Sleek and spectacular, with unprecedented privacy, One&Only Reethi Rah, Maldives inspires extraordinary journeys for the soul.

One&Only Reethi Rah, Maldives is located on North Male' Atoll, one of 26 natural atolls scattered across 90,000 square kilometres of Indian Ocean. Its spectacular shape creates six kilometres of stunning coastline with 12 beaches – ample space to grace each and every villa with an ocean view, a generous private verandah, and over-water deck or stretch of powder-soft sand.

The 35 kilometres between the resort and Male' International Airport are swiftly covered by a 75-minute journey in a 55-foot luxury yacht. All transfers are arranged around flight schedules.

There are two main seasons in the Maldives. From December to May it is sunny and fairly dry. From June to November occasionally there are brief downpours followed by sunshine. Temperatures range from mid-20s to mid-30s centigrade and peak in April and May. The local currency is the 'Maldivian Rufiyaa' (MRf), whilst US Dollars are used at the resort.

### **Reethi Restaurant**

The main restaurant, on the eastern side of the island, is set in thatched over-water pavilions. Offering a glorious fusion of Far Eastern, Middle Eastern and Mediterranean cuisines, and a cellar housing 18,000 bottles of the world's greatest wines, this is alfresco, à la carte dining at its best.
