Top 10 tourist attractions

Visit the heart and soul of the island, Stone Town. Wonder amongst the winding alleys and old Arabic-style buildings and immerse yourself in the town's magic. Visit any of the local vendors or unique little spots and soak up the local culture.

2. **Jozani Forest**

As one of the last indigenous forests left on Zanzibar, the Jozani Forest has a vast and scenic spread of greenery and wildlife. The forest is able to be reached via bus, chartered taxi or an organised tour.

3. **Visit Prison Island**

Even though Prison Island provides a glimpse into the island's dark past, it is now a sanctuary and nature reserve for giant tortoises and a place to see the ruins that once functioned as a prison.

4. **Palace Museum**

The Palace Museum is one of the most historic buildings in Stone Town and is more commonly known as the Sultan's Palace. This was once home to the Sultan and his family, but following the 1964 revolutions, the site was used as a Government building and today it serves as a museum that showcases relics of the past.

5. **House of Wonders**

The House of Wonders is one of the grandest and tallest buildings in Stone Town and gives you a glimpse into the culture of Zanzibar and the Swahili culture. Found on the old town's seafront, the House of Wonders is an impressively and visually stunning historic building.

7. **Snorkeling at Mnemba Atoll**

Experience the crystal waters by slowly travelling with a gentle breeze in a traditional Dhow to the island of Mnemba Atoll. On your way there you may even have a chance of seeing dolphins. Although the island is private, the boats will stop close to shore, allowing you to explore the reefs and many species of fish below the water's surface.

8. **Quad Biking Tour**

Self-drive a quad bike on this off-road adventure through remote island villages, plantations, spice and tropical fruit trees, ending off with a delicious lunch on the beach.

You will be able to enjoy the island's seasonal fruits, snorkeling and sea food lunch before the island disappears again at high tide.

10. **Deep Sea Fishing**

Zanzibar is the mecca for deep sea fishing with its position far out in the Indian Ocean and clear blue waters. Some of the game fish found are Barracuda, wahoo, kingfish, yellowfin tuna, sailfish and marlin to name a few.
