Catering

From 1pm to 5pm, we offer a light gastronomic menu and snacks served at the bar or around the pool to enhance your day of relaxation.

As the sun sets, our chef 'Marc CHAPPOT' offers you his appetizer as a prelude to your meal to accompany your aperitif overlooking the Bay of Saint-Leu.

We then invite you to enjoy a gourmet candlelit dinner around the pool or under the large veranda overlooking the ocean.

Our menu offers a blend of French gastronomy, using carefully selected produce and deliciously seasoned with local spices and exotic flavours.

A wine and Champagne list of over 1050 references, served by our Head Sommelier, Vanessa Bonadio, will add the finishing touches to your exotic nights.

But beware of alcohol abuse, we also offer a Blue Margouillat 'No-A' menu (a range of cocktails made with fresh fruit, tonic, vegetables and vitamins), as well as a range of teas and coffees.

A new dining room will be built alongside the existing one.

It will feature a large wine and cheese cellar, open to the restaurant and air-conditioned. It will also house a tasting table where various events will be organised throughout the year.

These events can be separated from the main dining room to give our customers greater privacy.

Leisure

For your well-being, the hotel offers :
