

Welcome at Dina Morgabine Hotel

**Located on the west coast of the island,
a unique hotel in La Saline les bains.**

Atypical, quirky and unmissable, the Dina Morgabine is much more than just a hotel: it's a real place to live, with a host of facilities designed to encourage travellers, local people and their history to meet, exchange ideas and share their experiences: a restaurant, a bar, a wellbeing and spa area, a fitness room, 3 conference rooms and a 150m² Bedouin tent, a swimming pool designed for families.
