

LE SAINT PIERRE

IN THE CITY CENTRE

Located in the heart of St Pierre's city center, the south of the island's largest town, this new hotel opened its doors back in 2015, providing three-star comfort with all the necessary facilities to ensure you have a great stay, whether for short breaks, longer holidays or business trips. Its location is perfect for visiting the island, the 'wild' south coast, the town of Cilaos and its surrounding caldera, not to mention Plaine des Cafres and the road up to the volcano.

Here, you'll get to enjoy the lagoon, a lively seafront (the beach is just 2 minutes' walk away), the bustle and shops of city life, as well as the hotel's calm and peaceful patio with its lush garden and swimming pool.
