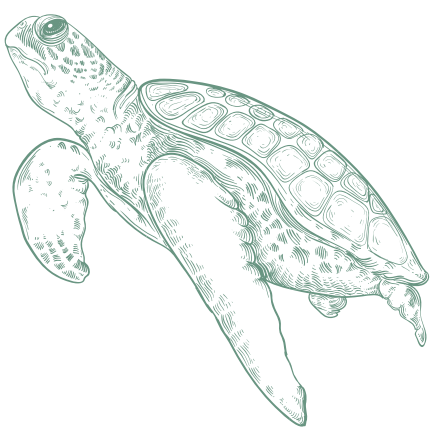
A SUSTAINABLE APPROACH TO RESORT LIFE


- No single use plastic bottles, straws or takeout containers. Our water bottles are made out of plants and sugar cane
- 100% of wet waste is upcycled to a local farm
- Wooden key cards are used to access all guest rooms
- 200 cubic meters of wastewater recycled daily to irrigate 25000 sqm of green space
- 300 solar panels generate 1.2 kilowatts per day to heat water
- Produce is sustainably sourced and home-grown fruit and vegetables are used in the restaurants
- The resort supports 50 local underprivileged children from the Eastern Welfare Association for Disabled (EWAD) and 90 individuals with disabilities from disadvantaged regions across Mauritius through Shangri-La's Embrace, care for people programme
