### Ile Aux Cerfs Golf Club

Designed by the famous golf champion, Bernhard Langer, Ile Aux Cerfs Golf Club is an 18 holes golf course which lies on the east coast of Mauritius. The island golf course is reachable only by a 'special golf' boat shuttle from its private jetty or by a scenic helicopter flip.

All 18 holes of this island golf have views of the ocean - some with glimpses across clearings through the trees; others by coming close to the shore. The unique island golf course of Ile aux Cerfs is definitely one of the most stupendous golf courses in the world, a "must play" as Colin Montgomerie puts it. It has been recognised to be the no. 1 of the Top-20 Golf Courses to play, once in your lifetime, by Golf World magazine.

### Anahita Golf Club

The South African golf Legend, Ernie Els, designed Anahita Golf Club in 2008. His experience and victories around the world allowed him to create a course suitable for all golfers.

The Anahita Golf Course Mauritius is a par 72 championship course boasting outstanding panoramas with numerous seafront holes along the biggest lagoon of Mauritius. It is challenging for all golfers but delivers a truly unique golfing experience, never to be forgotten.

### Tamarina Golf Club

Inaugurated in 2006, Tamarina Golf Club is an 18-hole championship Par 72 course designed by the architect Rodney Wright. The course combines technical challenges with a splendid view on the Rempart Mountain and the crisp blue of Tamarin Bay, visible on the 7th hole.
